

# To Retrieve Your Test Results

## Via Patient Portal

Log into the portal → From the Left Chart Band select Medical Records → Personal Health Record

Enter the date of the test and click submit

**Enter in the date of the test**

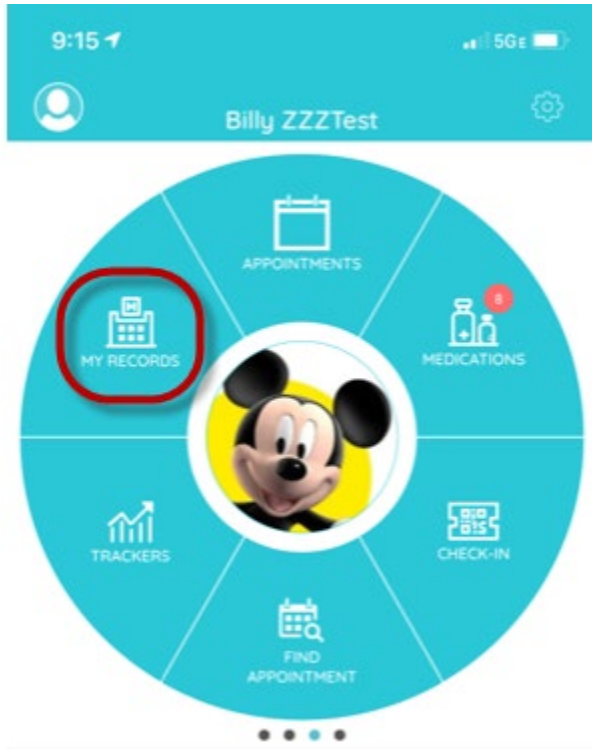

The lab results will display under Results (once reviewed the labs will also show in the lab area):

RESULTS from 2021-09-01 to 2021-09-01

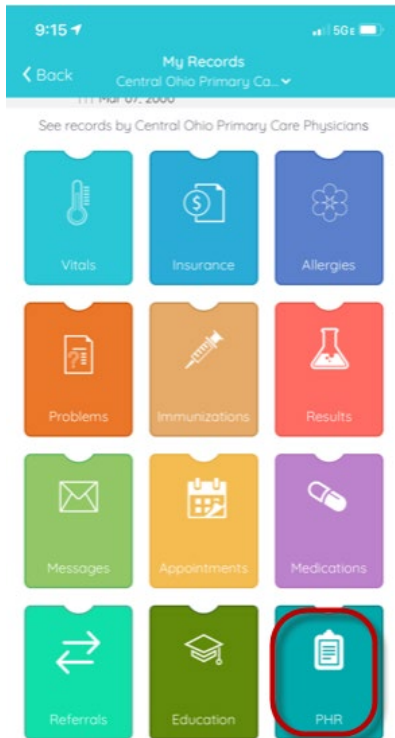

Component	Value	Reference Range
COVID-19 COPC (Not yet reviewed by provider)		
Interpretation:		
Performing Lab: Central Ohio Primary Care Physicians, Phone:		
result	Not Detected	

## Via Healow App

Access the app →select My Records

Select the PHR tile and enter in the dates then click view.

PHR  
Central Ohio Primary Ca... ▾

Generate health record for date range of

FROM	TO
mm/dd/yyyy 	mm/dd/yyyy 

**Disclaimer:** The following sections represent the most current data on record with your provider(s) and are not specific to the date range you have selected: Demographics, Social History, Problems, Medications, Allergies, Immunizations, Health Concerns, and Medical Equipment (UDI).
