We are in an office park on the south side of Bethel Rd. If you are on Bethel Rd heading west we are two miles west of 315. We are the 1st left turn after you cross Reed Rd, next to the church on the corner of Bethel and Reed Rds.

If you are on Bethel Rd heading east we're the 2nd driveway on the right after McKittrick Rd which is the street on the east end of Crown Point shopping center.
